# THE EMBROIDERY COACH

## Logo Placement For Flat Golf Towel, Hand Towel or Fingertip Towel

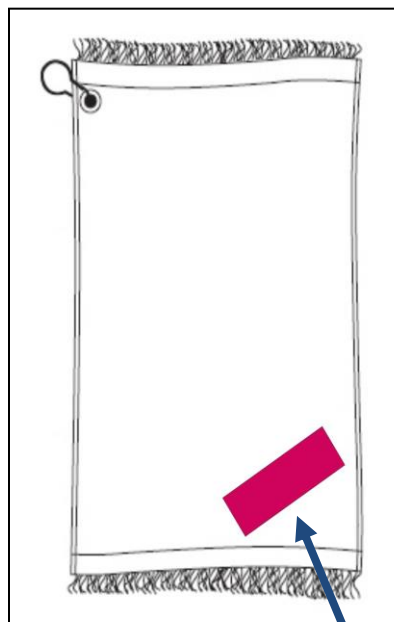

The bottom of the logo should be at least 2 inches up from the bottom of the towel hemline. I usually place mine about 3 inches up from the bottom. It makes it easier to work with and my customers have been happy with the placement. Use 2 layers of Crisp Tearaway Backing and Topping on the top.

**Placement of Logo**

**Placement of Logo**  
close to right edge of towel

**Placement of Logo**  
on a diagonal on right bottom  
corner of towel.
