Guideline to figuring stitch counts. These are approximates-they change with underlays & densities. • 1/4" letter = 150 stitches • 1/2" letter = 250 stitches • 3/4" letter = 400 stitches • 1" letter = 600 stitches • 1 1/4" letter = 700 stitches - Borders are approximately 175 stitches per inch. Approximately 1600 stitches per square inch for fill areas.
